

Addendum
Learning Resource Cooperative
Interlocal Agreement

This is an addendum to the Interlocal agreement dated April 29, 2009 between The Northwest Educational Service District 189 (NWESD) and Concrete School District, hereinafter referred to as "District", is effective from September 1, 2010 through August 31, 2011.

The District has requested the following resources from the Learning Resource Cooperative for the 2010/11 school year. These resources have been requested for the District from the individual vendors through binding agreements based on signed order forms (copies attached) from the District.

The District will be invoiced for these resources in November, 2010 as stated in the Interlocal, Section V. Financing/Costs/Rates, after the full-time student enrollments for October, 2010 have been reported to OSPI. The District may submit an **estimated** purchase order for these resources, **the actual fees will be based on October, 2010 FTE.**

Any additional requests for resources will be processed pursuant to receipt of a signed purchase order from the District. This addendum is binding between NWESD and the District as of the date noted adjacent to the District's signature below.
