Dear Concrete Middle/High School Families and Students:

I hope everyone had an enjoyable summer and is looking forward to a great year! One of our big changes is that the middle school students will be back in the Middle School Building. We will be running both buildings from the high school main office. All parent-to-school communication and transactions including phone calls, payments, attendance notifications, discipline issues, student sign-ins and sign-outs, etc., will be conducted through the high school office. There will be no “office” in the middle school.

Both the middle and high school will be going to a 7 Period day. As such, we are starting the school day at 7:55 AM and ending at 2:45 PM. There will be 11 late starts throughout the year (always on Wednesdays) with school starting at 9:45 AM. There are also 7 early release days in which school will end at 12:00 PM. Please refer to the district calendar for the exact days. The 2014-15 school year starts Wednesday, September 3; so here are some important dates to remember:

- Student Update Information (provide current address and phone numbers)

For those who were not here in June and were unable to select classes for this fall, please come in on Monday, August 25 at the time designated on the chart above, and you can sign up then.

See you soon. Let’s make it a great year!

Sincerely,
