ENRICHMENT

Costs money – what to keep, add or delete?

_____ Roller skating to add to family fitness night

_____ End of year dance

- To Keep?

_____ Yearbook

_____ Assemblies

- 3 x year
- What has worked in the past – especially the animal guy/ Add Sterling the Magician
- Ideas: _____

_____ Science Fair

- Mary Janda is still on for this so we would like it to continue this year with a reduced cost.

_____ Rachel's Challenge

- A good thing – how to start it sooner and keep it going all year?

_____ Elementary Music Enrichment– in classroom

- Mary Janda is willing to do this –She is willing to take combined classes by grade level , coming in at a frequency that works for the teachers – 1 -2 times per month/ and will go through her music to prepare. She talked about having the kids write songs to existing tunes and have an assembly/ performance.
- Can be self-funding with assemblies created from it – may need to add in some fundraised money.

_____ Forming a partnership with NCIS – North Cascade Institute.

- Mountain School
