

Student Representation on the School Board

The Concrete District Board of Directors believes in the responsibility of citizens to participate in civic activities. The Board further believes in providing Concrete School District 11th or 12th grade students an opportunity to gain personal civic and leadership experience by serving as non-voting members of the Concrete School District Board of Directors.

In addition to the five (5) directors, there shall be one (1) student representative on the board of directors, one representative. It shall be the responsibility of the student representative to represent the student body of the district to the board and District.
