

Leave Sharing

A. A district employee is eligible to receive donated leave if:

1. The staff member suffers from, or has a relative or household member suffering from, an extraordinary or severe illness, injury, impairment or physical or mental condition or who has been called to service in the uniformed services which has caused, or is likely to cause, the staff member to:
 - a) Go on leave-without-pay status; or
 - b) Terminate his/her employment;
2. The staff member's absence and the use of shared leave are justified by documentation;
3. The staff member has depleted, or will shortly deplete, his/her annual leave and sick leave reserves;
4. The staff member has abided by district rules regarding sick leave use; and
5. The staff member has diligently pursued and been found to be ineligible to receive industrial insurance benefits.
6. A document is provided by a licensed physician or other authorized health care practitioner verifying the severity or extraordinary nature and expected duration of the condition.
7. The employee has not received more than 522 days of donated leave during total district employment by the State of Washington or any state agencies, including employment by the district and other school districts within the state.
8. Otherwise eligible employees may receive leave from employees of other districts or state agencies where approved by the superintendent and the head of the other district or agency. The leave recipient shall be paid his/her regular rate of pay; therefore, one hour of shared leave may cover more or less than one hour of the recipient's salary. Received shared leave shall be computed from the dollar amount into hours to be paid.

The superintendent shall determine the amount of leave, if any, which a staff member may receive under this policy. However, a staff member shall not receive more leave than the number of contracted days remaining in the current school year. In the event that the condition requiring the employee's absence continues beyond the current school year, the employee shall not receive a total of more than 260 days of donated leave during total district employment.

B. District employees may donate leave as follows:

1. A staff member who has an accrued annual leave balance of more than ten (10) days may request that the superintendent transfer a specified number of days to another person authorized to receive shared leave. A staff member may not request leave to be transferred that would result in an accrued annual leave balance of fewer than ten (10) days.
2. A staff member who accrues annual leave and sick leave may request that the superintendent transfer sick leave to a person authorized to receive shared leave or to the district's shared

leave pool. A donating staff member must retain a minimum of 176 hours of sick leave after the transfer.

3. A staff member who does not accrue annual leave but who has an accrued sick leave balance of more than sixty (60) days may request in writing that the superintendent transfer a specified amount of sick leave to another person authorized to receive such leave. A staff member may request no more than six (6) days of sick leave during any twelve 12 month period. A staff member may not request a transfer that would result in an accrued sick leave balance of fewer than sixty (60) days. Sick leave as defined in RCW 28A.400.300 means leaves for illness, injury and emergencies.
 4. The number of leave days transferred shall not exceed the amount authorized by the donating staff member.
 5. Any leave donated by a staff member which remains unused shall be returned to the donor. To the extent administratively feasible, leave transferred by more than one staff member shall be returned on pro-rata basis.
- C. Leave shall be calculated on a day-donated and day-received basis.
- D. The value of leave transferred is based on the current salary rate of the person donating the leave, while the recipient continues to receive his/her regular rate of pay while on shared leave. For example, if a staff member earning \$15.00 per hour donates one day of leave to someone earning \$7.50 per hour, the recipient would be eligible for two days of shared leave.
