

HIGHLY CAPABLE PROGRAM PROGRAM INFORMATION

Concrete School District

45389 Airport Way Concrete, WA 98237

What is a Highly Capable Learner?

A Highly Capable (HC) learner is defined as “a student who has been assessed to have superior intellectual ability as exhibited by cognitive ability, specific academic achievement, and exceptional creativity” (OSPI, 2009).

The Highly Capable Program Consists of What Grade Levels?

The Highly Capable program offers enrollment to students K-12.

Identifying Highly Capable Learners:

Students can be referred to the Highly Capable program by education staff, teachers, and parents. A referral to the Highly Capable program does not guarantee enrollment.

Is Parent Approval Required?

YES. Parents are required to give written permission before testing, identifying and placement.

What Type Of Testing will be Done?

Students will be required to participate in several different types of tests. Testing could include however, is not limited to the Woodcock Johnson IV, Kaufman Brief Intelligence Test 2 (KBIT2), Cognitive Aptitude Test (CoGat), and SIGS. Tests will be administered by qualified personnel. Additional data will be collected for review: grades, state assessments and district assessments.

What Does the Program Offer?

Students identified as Highly Capable will be taught by teachers, who will individualize their instruction to accommodate the educational needs of the identified students. Students enrolled in the Highly Capable program may be provided opportunities for accelerated learning, grouping arrangements that provide intellectual and interest peer group interactions, K-12 cooperative agreements between schools and institutions of higher education, and/or mentorships and career exploration opportunities

What if I Want My Child to be Tested?
