Music	Please see the schedule in Mr. Camp's Google Classroom--Students have two meetings per week on Zoom.
**Students should be spending 5-6 hours per day on their school work.	
**Students should attend all synchronous learning sessions. This is live teaching and students will get what they need for the lesson.	**Please email or call teachers about scheduling conflicts and they will help you fix the problem with an alternate time.
**Teachers are available to assist students in person at the high school. Please email and/or call to set up a time.
