Educator Hall of Fame Nomination Form

Concrete School District has a strong tradition of providing educators dedicated to the growth and development for its students. To recognize these efforts, the CSD Educator Hall of Fame has been established to honor those with lasting service, and more importantly lasting impact. Concrete School District will annually recognize up to three educators at a ceremony honoring their service and impact on the students, staff, and teachers of Concrete School District.

Eligibility:

For the purpose of this award and recognition, anyone who has served in a professional or paraprofessional capacity within Concrete School District and has been separated from the district for at least 5 years (e.g. retired) is eligible. This could be teachers, para-educators, bus drivers, maintenance staff, administrators, lunch staff, etc. We recognize that it takes a village to raise the students in our school district.
