American Legion Living Legacy Trust Scholarship

2020-2025

The Heskett-Arnold Post 132 of the American Legion in Concrete offers a \$1,000 scholarship to a qualifying individual residing in the Concrete School District. This scholarship will be awarded to an applicant planning on attending a post high school educational institution, including 2 or 4-year colleges, universities, community colleges, or vocational/technical colleges. This is not a cash award; scholarship funds will be sent directly to the educational institution provided by the applicant after proof of enrollment, not merely acceptance. If a student later withdraws, any refunds due will be apportioned appropriately depending on the source of tuition monies.

The scholarship committee invites all those wishing to pursue higher education and meet the requirements to apply. Scholarships are awarded once per year. The Post does not consider this scholarship to be merely a gift for good behavior or grades, we consider it an investment in our nation's future, of which we expect the applicants to be an active part. Submissions will be judged not only on their past performance, but on their assessed future potential and current financial need.

Each application will be reviewed to make sure that all required documentation is provided and the application is complete. Incomplete applications will be eliminated from consideration. Primary emphasis will be placed on what the student has done, what they plan to do, and their financial need.
