

CONCRETE LIONS

BOOSTER CLUB SCHOLARSHIP

2022

The Concrete Lions Booster Club is offering two \$500 scholarships to qualified applicants. These scholarships are renewable for an additional year if the student stays in school, completing and passing their coursework.

We invite all those students who have remained steadfast in their goals for academic achievement while also maintaining their physical fitness and readiness to participate in their school sports programs to apply for this scholarship. Previously this scholarship stipulated that applicants must have lettered in at least one varsity sport, including cheerleading, but we realize the challenges you must face during these difficult times amidst the Covid-19 pandemic and wish to support your efforts to be ready participate in sports activities. We believe that such activities will result in the best attitude for success in life-long learning.

We will also take leadership, scholarship, and citizenship into consideration and applicants must have a 2.0 GPA throughout their senior year.

The Application Packet must include the following and be postmarked by April 30, 2022.
