To Whom It May Concern:

Each year the North Puget Sound Association of Realtors honors award recipients in categories. Our Citizen of the Year nominee must be a non-member who demonstrates outstanding contributions to the public as a private citizen, elected appointed official, educator, or business professional. Our nominating committee wanted to collectively recognize all the challenging work, under less-than-ideal circumstances every individual within our school districts has performed over the past year regarding the welfare of our community's youth. Our deepest thanks for your continued service.

Please accept the included plaque along with the information below shared with our Realtor and Affiliate members honoring your school.
